been progressing as scheduled. It is expected that the construction of the facilities to manufacture such lubricant oil products will commence by the end of this year.

triggered a decline in the prices of most of the global assets. Coupled with unfavourable investor sentiment, both the Group's progress in realising its non-performing asset investments with real estate being the underlying assets and the yield generated from these investments were significantly under expectation. After due consideration, the Group has adjusted its business strategy in a timely manner and decided to speed up the disposal of its existing investments.

targeting the new energy industry and its sub-sectors. Driven by the vision of “carbon neutrality”, the world is entering into an important historical period of high-carbon to low-carbon transition.

carbon neutrality, leading to long-term development of the new energy industry. The Group believes that the new energy industry will enter into a long-term growth period in the next two decades due to the high demand brought about by the transformation of the energy structure, and engagement in relevant sub-sectors of the new energy industry will become an essential initiative

Scheme are set out below:

aggregate into a trust (“NT Trust Scheme”) holding a portfolio of limited liability partnerships managed by 國民信託有限公司

value of the NT Trust Scheme as at 30 June 2022 was approximately HK\$412,183,000, which was determined by reference to the net asset value of the NT Trust Scheme as set out in the unaudited of the NT Trust Scheme as at 31 December 2021 of approximately HK\$460,235,000. The Group

did not receive any distribution from the NT Trust Scheme or record any realised gain or loss in strategy, the Group will consider to dispose of its interest in the NT Trust Scheme at any time provided that an opportunity allowing the Group to realise a reasonable return arises.

The objective of the Group in relation to its investments in financial assets is to capture returns from the appreciation of the value of its investments and to receive income therefrom. The Board believes that the performance of the financial asset investments of the Group is dependent on

are affected by factors such as interest rate movements, national policies and performance of the global and national economies. The Group will continue to adopt prudent investment principles, closely monitor the performance of its investment portfolio, and adjust its investment strategies

Group has accelerated the realisation of its mature investments while reducing the proportion of its

The rental income from the Group's property leasing business amounted to approximately

in Beijing, China, which comprises a residential section and a commercial section. The increase in

the country, focus on stabilising employment and prices, actively expand domestic demand and maintain economic operations within a reasonable range, which will reduce the impacts of the global turmoil on China.

In view of the complex and severe external environment, the Group has also re-examined its will strengthen its budget management, consolidate its internal control system, and optimise its operation mechanism. In terms of business, the Group will realise its investments progressively,

The loss attributable to the owners of the Company decreased to approximately HK\$146,349,000

2022, mainly attributable to (i) the additional sales tax and related tax surcharge and late fee

- (b) the increase in other income, gains and losses from approximately HK\$155,684,000 for
- and

The increase in the rental income earned by the Group from approximately HK\$43,574,000

was partially offset by the loss on the foreign exchange translation of the rental income

was mainly attributable to the amounts of fair value loss recognised by the Group on its major financial asset, NT Trust Scheme, and one of its non-performing loan portfolios

effect on the financial position of the Group. However, the Board will closely monitor the future

In addition, the Board does not anticipate that there will be any material exchange exposure to the Group in respect of other currencies.

As at 30 June 2022, the Group's total short-term and long-term borrowings and convertible bonds amounted to approximately HK\$5,455,668,000 in aggregate, the composition of which is summarised below:

	(Audited) 31 December 2021
Short-term borrowings	541,037
Long-term borrowings	3,193,628
Convertible bonds	1,301,494
	<hr/>
Total borrowings	5,036,159
Less:	
	<hr/>
	(141,205)
	<hr/>
Net borrowings	4,894,954
	<hr/> <hr/>

While approximately HK\$178,500,000 and HK\$3,938,042,000 of the Group's long-term and respectively, approximately HK\$176,700,000, HK\$3,552,320,000 and HK\$5,645,000 of the Group's long-term and short-term borrowings outstanding as at 31 December 2021 were of the Group which remained outstanding as at 30 June 2022, approximately HK\$2,363,822,000 (31 December 2021: HK\$1,912,311,000) carried floating interest rates and approximately June 2022, the Group also had outstanding convertible bonds due in July 2022, which were of the details of such convertible bonds are set out in the section headed "Issue of Convertible Bonds" below.

approximately HK\$113,469,000 (31 December 2021: HK\$141,205,000) in aggregate, out of

HK\$5,455,668,000 (31 December 2021: HK\$5,036,159,000), which comprised (i) a loan in the
